MONTANA FIRST JUDICIAL DISTRICT COURT LEWIS AND CLARK COUNTY

IN THE MATTER OF THE LIQUIDATION OF AVIATION ALLIANCE INSURANCE COMPANY, INC., a Special Purpose Captive Insurance Company,

Respondent.

Cause No. DDV 2021-1016

LIQUIDATOR'S SECOND AMENDED APPLICATION FOR APPROVAL OF CLAIMS RECOMMENDATIONS AND DISTRIBUTIONS

The Montana State Auditor, Commissioner of Securities and Insurance ("Commissioner"), in his role as the Court-ordered liquidator ("Liquidator") of Aviation Alliance Insurance Company, Inc., a Special Purpose Captive Insurance Company (AAIC), files this Second Amended Application for approval of the Liquidator's claims recommendations pursuant to § 33-2-1372, MCA. In support of this application, the Liquidator states the following:

LIQUIDATION ORDER

- 1. On October 12, 2021, the Court determined that AAIC was insolvent and entered an Order Commencing Liquidation and Appointing Liquidator ("Liquidation Order"). Dkt. 2.
- 2. On November 2, 2021, the Commissioner appointed Michael J. FitzGibbons as Special Deputy Liquidator for this matter. Dkt. 4. Mr. FitzGibbons has executed an

affidavit attesting to the relevant facts in support of this application, which is attached as Exhibit F.

APPLICABLE STATUTORY AUTHORITY

3. The procedure for the Liquidator to review and recommend disposition of claims in liquidation is set out in statute:

The liquidator shall review all claims duly filed in the liquidation and make further investigation that the liquidator considers necessary. The liquidator may compound, compromise, or in any other manner negotiate the amount for which claims will be recommended to the court except when the liquidator is required by law to accept claims as settled by any person or organization, including any guaranty association or foreign guaranty association. Unresolved disputes must be determined under 33-2-1368. As soon as practicable, the liquidator shall present to the court a report of the claims against the insurer with the liquidator's recommendations. The report must include the name and address of each claimant and the amount of the claim finally recommended, if any. If the insurer has issued annuities or life insurance policies, the liquidator shall report the persons to whom, according to the records of the insurer, amounts are owed as cash surrender values or other investment value and the amounts owed. § 33-1-1372(1), MCA.

- 4. "The court may approve, disapprove, or modify the report on claims by the liquidator. Reports not modified by the court within a period of 60 days following submission by the liquidator must be treated by the liquidator as allowed claims, subject to later modification or to rulings made by the court pursuant to 33-2-1368." § 33-1-1372(2), MCA.
- 5. Section 33-2-1373, MCA, counsels the Liquidator to "pay distributions in a manner that will assure the proper recognition of priorities and a reasonable balance between the expeditious completion of the liquidation and the protection of unliquidated and undetermined claims, including third-party claims. Distribution of assets in kind may be made at valuations set by agreement between the liquidator and the creditor and approved by the court."

Liquidator's Second Amended Application for Approval of Claims Recommendations and Distribution 2

ACTIONS TAKEN IN LIQUIDATION

- 6. Pursuant to the Liquidation Order and § 33-2-1342, MCA, the Liquidator took possession of AAIC's assets and administered them under Court supervision. In particular:
 - a. The Liquidator gave or caused to be given notice of the Liquidation Order to all necessary parties by the means prescribed in § 33-2-1346, MCA. The notice required all potential claimants to file proof of claim with the Liquidator pursuant to § 33-2-1365(1), MCA no later than March 15, 2022. A copy of the notices and blank claim forms mailed to potential claimants is attached to this Application as Exhibit A, along with proof of publication of the notice in the Missoulian.
 - b. The Liquidator identified, collected, and liquidated all assets of AAIC that, in the Liquidator's judgment, justified the expense of collection and liquidation. No additional assets have been identified for collection. Currently the cash and cash equivalents held by AAIC total \$56,747. Exhibit C (pro forma balance sheet).
 - c. The Liquidator established a proof of claims filing procedure in compliance with § 33-2-1365, MCA, and classified all claims filed thereunder according to their distribution priority as set forth in § 33-2-1371, MCA.
 - d. The Liquidator's claim recommendations are attached to this Application as Exhibits B and D and more fully explained in the Liquidator's affidavit at Exhibit F.
 - e. Administrative expenses are Class 1 priority claims per § 33-2-1371, MCA. The Liquidator has paid the administrative costs and expenses of AAIC's liquidation as they came up in the ordinary course of its operations, per § 33-2-1345(1)(b), MCA.
 - f. The Liquidator has estimated future administrative expenses and calculated

the final distribution of all assets remaining for Class 2 claims after payment of final administrative expenses. Class 2 claims include claims for all losses incurred under policies for which a timely filed proof of claim had been filed. § 33-2-1371, MCA.

- g. The Liquidator has estimated that after the payment of the final Class 1 claims, AAIC will have \$21,009 for distribution to Class 2 claimants.
- 7. On December 20, 2022, one of AAIC's insureds, Aircraft Propeller Services (APS) contacted the Liquidator to inform him that seven plaintiffs (Certain Claimants) listed in the original Application for Approval of Claims Recommendations and Distributions had dismissed their claims against APS.
- 8. As such, the Liquidator filed an Amended Application for Approval of Claims Recommendations and Distributions on January 10, 2023. Dkt. 14.
- 9. On January 11, 2023, counsel for Certain Claimants contacted the Liquidator to dispute their exclusion from payments under the Amended Application. Certain Claimants and APS were unable to agree on how to divide the distribution, so the Liquidator filed a Notice of Disputed Claim and Request for Hearing on January 25, 2023. Dkt. 17. Briefing ensued.
- 10. The Court held an initial hearing on this matter on March 14, 2023, in which Certain Claimants argued that their claims were not extinguished by voluntary dismissal because they could (and would) re-file their suit before December 6, 2023. They did not.
- 11. With the Court's leave, the Liquidator filed a Supplemental Evidentiary Filing on December 8, 2023, confirming that Certain Claimants never re-filed suit. Dkt. 42.
- 12. Pursuant to an agreement with the Liquidator and APS, on December 28, 2023,Certain Claimants withdrew their objections to the Liquidator's Amended Application. Dkt.45.

13. Because of the delays created by Certain Claimants' objection, additional overhead costs accrued. This Second Amended Application accounts for these new costs and proposes a final distribution on that basis.

PRO FORMA CLOSING ACCOUNTING

- 14. Pursuant to § 33-2-1342(5), MCA, the Liquidator filed an accounting of AAIC's balance sheet, income statement, and statement of cash receipts and disbursements as of December 31, 2021. Liquidator's Accounting, Dkt. 10 at 3-5.
- 15. The Liquidator has prepared an updated pro forma closing accounting for AAIC through November 30, 2023. A true and correct copy of the pro forma closing accounting is attached as Exhibit C.
- 16. This pro forma closing accounting is updated to include additional expenses accrued by the Special Deputy Liquidator appointed by the Commissioner, as well as estimated future costs. *Id*.
- 17. This accounting is prepared on the understanding that once the requested distributions are approved, all possible distributions under the statute will have been made, and the liquidation will be ready to be closed under § 33-2-1375, MCA.
- 18. A Final Closing Accounting will be filed with the Court as soon as practicable following the final distributions to Class 1 and Class 2 claimants¹ and completion of related matters, such as filing of the final federal income tax return, deposit of unclaimed property, if any, record storage, and the finalization of the closing accounting. At that time, the Liquidator will apply for termination under § 33-2-1375, MCA.

Liquidator's Second Amended Application for Approval of Claims Recommendations and Distribution 5

¹ No other class of claimant will receive a distribution other than Class 1 and Class 2 creditors, because the Class 2 claimants cannot be paid in full. *See* § 33-2-1371, MCA.

UNCLAIMED FUNDS

19. Unclaimed funds may arise if final claim distributions are not timely deposited. Pursuant to § 33-2-1374, MCA, the Liquidator is prepared to deposit all unclaimed funds with the Treasurer for the State of Montana.

FINAL FEES AND EXPENSES

- 20. To permit the closing of AAIC's liquidation proceedings, it is necessary to pay the final fees and expenses incurred in terminating the liquidation, including fees and expenses which are already accrued and those which relate to matters which are expected to occur during the closing process or after the liquidation proceedings are closed. These final fees and expenses are set forth in the Liquidator's pro forma closing accounting and are projected to total \$35,738. Exhibit C.
- 21. Included in the final fees and expenses are tax preparation and filing, occupancy and overhead expenses, record shipping and storage costs, and the final fees and expenses of the Special Deputy Liquidator as detailed in Exhibit C.
- 22. In consideration of these payments set forth in Exhibit C, each vendor would render all required future services to the AAIC's liquidation estate, regardless of whether the amounts that would otherwise be due to them under their current compensation arrangements are more or less than the amounts shown in Exhibit C. The lump sum payments have been determined based on amounts previously paid to the service providers and the assumption that post-termination services would be required for an indefinite period following the termination of these proceedings.
- 23. AAIC's records are only electronic. As such, CSI will store the records internally. The Liquidator will incur estimated expenses around \$100 to pack and ship the

server hard drive containing the electronic data to CSI's office in Helena.

FINAL INCOME TAX RETURN

24. Part of the closing steps will be to provide the Liquidator's tax vendor, Plante Moran, with the final closing financial statements to permit the preparation of the final Federal Tax Return. Plante Moran will be paid a total of \$14,000 in fees for the 2023-24 tax returns. The Liquidator does not expect any tax liability.

PROPOSED FINAL CLAIM DISTRIBUTIONS

- 25. AAIC's remaining assets after all Class 1 distributions will be insufficient to pay all approved Class 2 claims in full. Therefore, no claims in classes subordinate to Class 2 can be paid. § 33-2-1371, MCA ("Every claim in each class must be paid in full or adequate funds retained for the payment before the members of the next class receive any payment"). For this reason, subordinate claims set forth in Exhibit E will not receive distributions under this plan.
- 26. The Liquidator seeks Court approval to pay from its general assets a first and final distribution to Class 2 claims as defined in § 33-2-1371, MCA. Claims asserted by remaining Class 2 claimants amounts to \$1.7 million. Exhibit D.
- 27. The merits of the third-party claims have not been adjudicated. The Liquidator estimates that it would cost in excess of remaining assets to adjudicate these claims. Exhibit A.
- 28. As such, the Liquidator proposes a pay out to each Class 2 claimant an amount based on a pro-rata share of the last annualized premium paid by the insured entity that holds a Class 2 claim. This valuation scheme strikes "a reasonable balance between the expeditious completion of the liquidation and the protection of unliquidated and undetermined claims." § 33-2-1373, MCA.

29. This proposed Class 2 distribution amounts to \$21,009 in total. Exhibit D.

30. This proposed distribution is in lieu of a costly valuation of each third-party

claimant's proof of claim. AAIC would exhaust the total funds available by adjudicating these

claims, leaving nothing for distribution. Instead, Exhibit D delineates the proposed Class 2

distribution to each of the Class 2 claimants, with each Class 2 claim valued in accordance

with the plan described at paragraph 20 above.

For this reason, the Liquidator respectfully asks this Court for an Order:

1. Approving payment of final administrative expenses as set forth in Exhibit C; and

2. Permitting final distributions to Class 2 Claimants as set forth in Exhibit D.

RESPECTFULLY SUBMITTED this 18th day of January 2024.

Counsel for the Liquidator

MONTANA FIRST JUDICIAL DISTRICT COURT LEWIS AND CLARK COUNTY

IN THE MATTER OF THE LIQUIDATION OF AVIATION ALLIANCE INSURANCE COMPANY, INC., a Special Purpose Captive Insurance Company,

Respondent.

Cause No. DDV 2021-1016

AFFIDAVIT OF MICHAEL J. FITZGIBBONS IN SUPPORT OF LIQUIDATOR'S SECOND AMENDED APPLICATION FOR APPROVAL OF CLAIMS RECOMMENDATIONS AND DISTRIBUTIONS

Michael J. FitzGibbons, being first duly sworn, deposes and says as follows:

- I am the Special Deputy Liquidator of Aviation Alliance Insurance Company, Inc.
 (AAIC). I was appointed to my position by the Liquidator, Troy Downing, Commissioner of Securities and Insurance, Office of the Montana State Auditor.
 - 2. I am over 21 years of age and suffer no legal disability.
- I am submitting this Affidavit in support of the Liquidator's Second Amended
 Application for Approval of Claims Recommendations and Distributions (Application).

- 4. By virtue of my appointment as Special Deputy Liquidator, I have been personally involved in the liquidation of AAIC at all times since it was placed into liquidation, including the matters addressed in this Affidavit. My responsibilities as the Special Deputy Liquidator include supervision and oversight of the liquidation process. I am familiar with the claims process and with the claims that have been filed. Therefore, I have personal knowledge of the matters addressed in this Affidavit.
- 5. I have determined that after payment of the final Class 1 claims, AAIC will have minimal assets available for distribution to Class 2 claimants.
- 6. Attached to the Application as **Exhibit C** is a copy of the pro forma closing Balance Sheet for the period ending January 31, 2024.
 - a. A Final Closing Accounting will be filed with the Court as soon as practicable following the final distributions to Class 1 and Class 2 claimants.
 - Pursuant to § 33-2-1374, MCA, any unclaimed funds will be deposited with the
 Treasurer for the State of Montana.
 - c. Federal Tax Return for the year 2023 and 2024 will be prepared by Plante Moran.I do not expect any tax liability.
- 7. I received fifteen (15) timely-filed POCs by the bar date, March 15, 2022. Twelve (12) of the fifteen (15) POCs are Class 2. The remaining three (3) POCs are subordinate to Class 2.
- 8. As the Special Deputy Liquidator, I have considered each of the fifteen (15) POCs subject to this Application, in accordance with the requirements of the Montana Insurers Supervision, Rehabilitation, and Liquidation Act, Montana Code Ann. 33-2-1301 *et seq.* (the "Act").

- 9. The claims process has included the following, each and every one of which has been followed:
 - a. Notice of AAIC's liquidation was given to all parties required by, and by the methods prescribed by, § 33-2-1346(1), MCA.
 - b. In accordance with § 33-2-1346(2), MCA, the notice specified that the last date to file a timely proof of claim with the Liquidator was March 15, 2022. The notice stated that timely proofs of claim must be postmarked no later than 5:00 P.M. Mountain Standard Time, on such date.
 - c. Included with the Notices were the Liquidator's Proof of Claim (POC) forms, which sought the information required by § 33-2-1365, MCA.
 - d. Between the entry of the Liquidation Order on October 12, 2021, and March 15, 2022, I caused to be issued three hundred and seventeen (317) Notices of Liquidation and POC forms, with instructions to policyholders, third-party claimants, and/or other potential claimants and creditors of AAIC.
 - e. On January 7, 2022, notice of the liquidation was published in the Missoulian newspaper, a newspaper of countywide circulation in the County of Missoula, informing interested parties of the liquidation proceedings and including contact information and instructions for the timely filing of a claim.
 - f. The Notices, blank Proof of Claim forms, and proof of publication in The Missoulian are all attached to the Application as Exhibit A.
- 10. I estimate AAIC has approximately \$21,000 in assets for distribution to Class 2 claimants. The estimated cost to adjudicate these claims is likely to greatly exceed the remaining assets.

- 11. I believe the most prudent way to allocate the distributions to Class 2 claimants is based on the pro rata share of the affected policyholder's last annualized premium, rather than by spending the remaining assets on claims adjudication that would result in a net zero distribution of the remaining assets.
- 12. To support the proposed distribution outlined above in paragraph 11, attached to the Application as **Exhibit B** is a listing of the last annualized premium for the affected policyholders for which a Class 2 claim has been received and the estimated amount of the distribution to Class 2 claimants subject to each of these affected policyholders.
- 13. Attached to the Application as **Exhibit D** is a schedule listing the proposed distribution to each of the Class 2 claimants, for each of the affected policyholders.
 - a. One of AAIC's insureds, Aircraft Propeller Service, LLC (APS) had originally not been allocated any payment, because of pending litigation against them. The payments allocated to APS were allocated to the seven plaintiffs in that suit; however, the plaintiffs voluntarily dismissed their suit and did not refile, so the revised calculations allocate funds to APS, rather than these plaintiffs.
- 14. Attached to the Application as **Exhibit E** is a schedule listing all claimants holding a class of claim subordinate to Class 2. These claimants will not receive a distribution due to lack of funds to fully pay Class 2 claims.
- 15. Actual final distributions will be fully disclosed in the Final Closing Accounting to be filed with the Court no later than March 30, 2024.
- 16. To the best of my knowledge and belief, the claims subject to this Application are not subject to modification. If any additional factors hereafter come to my attention which may require any modification, I will immediately notify the Liquidator, and he and/or I will

promptly bring those matters to the attention of this Court in an application to modify such claims.
